

## Troop 278 – Ahwatukee Advancement Plan - Question Sheet

### Example questions for Scout Advancement Planning:

- Have you thought about how soon you think you will be back to the BOR for your next rank? – when do you think that will be?
- (TF-Star) How many of your next rank requirements are already signed off? Are there things you've already done you just need to get signed off?
- (1<sup>st</sup> – Life) Do you already have the right merit badges for the next rank?
- Tell us of any next rank requirements you feel you are stuck on and need extra help - which ones & what help do you need?
- Have you already identified what items will take you the longest to complete for your next rank? What are they & are you working on them?
- What is your plan to get service hours for your advancement needs?
- Do you have a long term merit badge plan – to make sure you have enough merit badges to earn your Star, Life & Eagle ranks without delay? If not what could you do to create a merit badge plan...?
- The Eagle required camping merit badge needs 20 nights of camping – do you think you are on track for that?
- Have you participated in JLT training? What did you learn that helped you in your leadership roles? What else have you learned from others?
- (2<sup>nd</sup>) Do you have a leadership role? you will need one at the time you earn your 1<sup>st</sup> class rank to immediately start on Star requirements?
- What new leadership roles are you interested in taking? have you considered which ones are applicable to your rank advancements?
- Are there skills you have learned so well that you think you could become a Troop instructor for them? When would you be willing to do that?
- If you have struggled with some skills - do you think challenging yourself by instructing them across the troop would help you to learn them better?
- Do you plan to become an Eagle Scout? Have you mapped out how fast you could possibly get to Eagle Scout? What do you think might be a reasonable/realistic pace to get there? Do you have time before 18?
- What do you think will limit you the most in getting to Eagle Scout (skills, service/project, badges, or leadership)? What can you do to address this?
